Consent form for persons participating in a research project

Name of participant: ____________________________________________

Project title: Designing persuasive technologies that combine self-monitoring and social influence

Name of investigator(s): Mr. Pedro Rosas (p.rosas@pgrad.unimelb.edu.au)
                        Prof. Steve Howard (showard@unimelb.edu.au)
                        Dr. Martin Gibbs (martin.gibbs@unimelb.edu.au)

1. I consent to participate in the project above, the particulars of which have been explained to me and are covered in the attached Plain Language Statement.

2. I acknowledge that:
   a) My participation is voluntary and I have been informed that I am free to withdraw from the project at any time, without explanation or prejudice, and to withdraw any unprocessed data previously supplied;
   b) I have been informed that the project is for the purpose of research;
   c) I have been informed that the confidentiality of the information I provide will be safeguarded subject to any legal requirements;
   d) I have been informed that my name will be referred to by a pseudonym in any publications arising from the research;
   e) I have been informed that the sample size is small, and exist implications for protecting the identity of the participants;
   f) I have been informed that with my consent the evaluation and interview will be video and audio-taped, and I understand that video and audio-tapes will be stored at University of Melbourne and will be destroyed after five years, after first publication;

3. I understand that after I sign and return this consent form it will be retained by the researcher.

I consent to this evaluation and interview being video and audio-taped ☐ yes ☐ no (please tick)

I wish to receive a copy of the summary project report on research findings ☐ yes ☐ no (please tick)
