

Wide tree-lined boulevards, freeways, flat topography and a comprehensive and integrated transport system make Melbourne an ideal Business Events destination.

MELBOURNE AIRPORT

Voted 5th Best Airport in the World (International Air Transport Association 2000), Melbourne Airport combines domestic and international passenger services in one building, making transfers quick and easy. Located 22 kilometres North-West of the city centre, Melbourne Airport operates 24 hours a day and is curfew-free.

CITY-LINK

Melbourne's world-class road network has been improved with the completion of 'City Link', a \$1.8 billion project. The capacity of 'City Link' to move large groups of people around Melbourne, greatly reduces travelling time to and from Melbourne airport by up to 18 minutes.

BUDGET RENT A CAR

Budget Rent a Car offer a huge range of cars, 4WD's, and minivans as well as Australia's largest fleet of trucks and commercial vehicles. Budget provides a range of superior services and fantastic deals for your next conference or event.

MELBOURNE'S PUBLIC TRANSPORT SYSTEM

Melbourne is serviced by one of the most efficient tram, train and bus networks in the world. Melbourne's tram system, interstate train station and main metropolitan train station are all concentrated in the City centre.

CITY CIRCLE TRAM

The City Circle Tram is an innovative way to explore Melbourne. This free service gives visitors access to Melbourne's central tourist attractions, retail outlets, hotels and conference venues. A running commentary is provided and attendants on board will answer any questions.

WATER TRANSPORT

In addition to trams, trains and buses, Melbourne is also serviced by a unique Water Taxi service, operating along the famous Yarra River.
